President:

Chad Budy cbudy1@kent.edu:

Brittany Barnes bbarnes2@kent.edu: Budgets were discussed all together with the amount of money that is even possible. Money is being stretched thin. Budgets were cut to go around. A possible solution is to work on collaborating with other campus organizations. Another solution could be to take make your own program tailored to Kent State University to make whatever materials you need. Lastly, would be to raise membership dues. Invoices go out after March 11th. If needed, the decision needs to be made for chapters and voted on. Budgets A and B are up for discussion and voting. Budget C will be proposed for next week to bring something more solidified. The Budget will be out Monday before 5:00. April 12th is Walk a Mile in Her Shoes 5:00 pm (registration). SRC's are not allowed to stand with their PNM's. As a Council, we will be doing Biannual Awards. These awards are two years of information with everything involved for that position. We will be instilling Parliamentary procedures to formalize meeting for discussion and voting. College to Career day will possibly be the first week after Spring Break (March 29th). The services offered for everyone will be wardrobe consultation, resume workshop sponsored by Order of Omega, and a one-on-one consultation for resumes with the writing commons/career services with mock interviews (time TBA).
